

The Tropic Lightning Ques Deliver Meals to Those in Need

Honolulu, Hawaii - Lambda Beta Beta Chapter and their family members participated in Meals-on-Wheels Program on Saturday, October 20th, 2018. The Brothers provided nutritious meals, and friendly personal interactions, with the elderly and persons whose disabilities prevent them from cooking and shopping for themselves and assistance for these essential functions in Honolulu.

The Lanakila Meals-on-Wheel Program Coordinator, Ms. Aundra Baldonado, stated, "that she appreciates the assistance that Lambda Beta Beta provides on a monthly basis and that the Omegas are one of the organizations she can count on to continually provide meals to deserving residents."

The Tropic Lightning Ques have partnered with the Lanakila Meals on Wheels program for more than six years. It is the longest standing community service relationship and is now part of the DNA of the Chapter. The Brothers are committed to spending every third Saturday of the month helping the community with this easy and heartwarming mission. Most of the recipients have come to know the Brothers by their purple shirts and happy smiles and look forward to seeing them. This mission of service is promised to last for a long time coming.
